FA COACHING BADGES

Get your coaching career off to the best possible start by gaining prestigious FA badges alongside your degree. Your time at UCFB will allow you to train and study for the FA Level 1 Coaching Award and FA Level 2 Certificate in Coaching Football – the first steps on the ladder towards possible UEFA badges.

AGENT TRAINING

A potentially lucrative career option, this programme offers UCFB students the chance to learn from the very best on the day-to-day dealings of a sports agent. Delivered in 2020/21 by leading sports agents along with former professional footballers, this sports agent programme is exclusive to UCFB students.

MATCH COMMENTARY & MEDIA MASTERCLASSES

We're delighted to be able to offer our students the chance to learn the ropes of match day commentary with The Football Commentary Workshop and hone other media skills through a series of masterclasses. Professionals from Sky Sports visit our campuses to deliver these sessions. Students also have opportunities to put the skills into practice at live matches.

PUBLIC SPEAKING SKILLS

Whether presenting to a board room or giving a press conference, chances are in your sports career you will have to speak in front of a crowd. Our intimate public speaking classes are led by industry-leading professionals and will develop the way you speak, stand and deliver in these situations.
