

Schedule 26

Company Pension

Auto Enrolment work place pension

UCFB have an Auto Enrolment work place pension with is managed and operated by Standard Life. New staff are automatically enrolled three months after they start with UCFB.

- Current contribution rates are 5 % by employees and 3% by employers and these percentages will increase in line with statutory requirements.
- Staff can pay a higher percentage if they wish.
- You must inform HR of any changes to your personal details so that we can notify our pension provider.

Please contact the Human Resources Department for further details.
