### Your Voice

The Students' Union are your representation as a student here at UCFB.

The SU meet weekly to discuss all things regarding events, societies, education, campaigns and more!

Your voice should be heard, so liaise with the SU who are in place to make a difference!

### Raise and Give

We like to raise awareness and money for various charities and causes throughout the year which form part of our Raise and Give calendar.

From charity football matches, to cross campus challenges, we are always looking at different ways we can help.

If there is a charity or cause close to your heart, let us know and we will help you raise money/awareness.

### Freshers' Week

You will kickstart your time at UCFB with a Freshers' Week.

This will be a fun filled week full of various activities designed to help you settle in, make friends and get to know the area you will be living in.

Activities that have been included in the past include:

Football matches, club nights, comedy nights, games nights, city tours!
