\*\*Taught at **Manchester Sports Village, Belle Vue**

Please note all courses require GCSE Maths and GCSE English at Grade 4 or above (or equivalent)

\*\*Taught at **Manchester Sports Village, Belle Vue**

## Application FAQs

### **How do I apply?**

Applications to full time undergraduate degrees should always be made via [www.ucas.com](http://www.ucas.com)

### **When should I apply?**

If you are applying for entry 2020, the best time to apply is November/December to make sure you do not miss the UCAS January deadline. If you are unable to submit your application by this time, please be sure to contact the UCFB admissions department to check the availability of courses.

### **What happens after I apply?**

Once we receive your application via the UCAS system, this will be reviewed by a member of our Admissions team – you will then be informed of our decision via email and on your UCAS track (UCAS's online application portal) normally within 2-4 weeks. If you are made an offer it will then be up to you whether you would like to accept or decline this. If our offer is based on academic conditions, we will only be able to confirm your place once you achieve the required qualifications. Please be sure to submit your application with your full education history and a reference to avoid any delay in processing.

### **What is deferred entry? Can I defer my place?**

Deferred entry is when you apply for a place two years in advance e.g. applying in the academic year 2019/20 for intended enrolment in September 2021. When you submit your UCAS application you will be asked to specify preferred year of entry, and can select a September 2020 start or a September 2021 start.

### **I want to study one of your coaching courses but have not completed the FA Coaching Awards – can I still apply?**

Yes, you are welcome to submit an application but you need to have gained the qualification and built up your experience as a football coach in the year leading up to enrolment. Please be sure to detail your coaching experience and list your coaching qualifications on your UCAS application. If you have not gained the required professional coaching qualifications before the course begins then you will be too far behind the rest of the class and will not be able to enrol. If you have not completed the coaching qualification at time of application remember to include it in the 'qualifications pending' section on UCAS with your expected date of completion.

### **Why have I been made a conditional offer?**

Conditional offers are made when you are still sitting some qualifications or need to sit additional qualifications to meet our requirements. Your offer will tell you exactly what you need to achieve.

### **What if I do not achieve the required grades?**

We will still look at your whole application and consider you carefully. If you have strong experience, a supportive reference and strong grades in other qualifications you could still be accepted to study with us.

### **What are UCAS points?**

UCAS points are a numeric value given to specific qualifications and grades (e.g. from A Levels, Scottish Highers and BTEC qualifications).

The total amount of UCAS points can be calculated by adding together each qualification you have completed and the grade you achieved. The UCFB admissions team will be able to help you calculate how many UCAS points you have or how many you will need to achieve from your current qualifications to meet the requirements.

### **How many UCAS points do I have?**

UCAS have provided a handy calculator to help you work out your total UCAS points. Just search online for UCAS Points Calculator or visit [www.ucas.com/ucas/tariff-calculator](http://www.ucas.com/ucas/tariff-calculator)

### **What should I write about in my personal statement?**

Write about yourself, your interests, the subject you would like to study and what you would like to do in the future. This is the best way for us to make sure that this is the right programme for you to study.

### **Can I get help with my personal statement?**

For personalised feedback and advice from our Student Services team, please email your personal statement, stating which course you would like to apply for and your preferred UCFB campus to [personalstatements@ucfb.com](mailto:personalstatements@ucfb.com)

### **Who should I ask to write my reference?**

If you are currently studying, you should ask your school or college to provide this. If you have recently finished studying, you should also ask a teacher from that course to provide a reference.

If you have not studied recently, you can ask an employer or supervisor to write about your professional skills and experience.

### **Can I change my course after I apply?**

UCFB will always allow a student to change, provided that you meet the requirements for the course and there are places available. Please contact our Admissions team by email so they can look into this for you.

### **What if I need further help with my application?**

Please email [studentenquiries@ucfb.com](mailto:studentenquiries@ucfb.com) and we will be happy to advise you.
