Your Students' Union

What is the Students' Union?

UCFB Students' Union exists to provide support and a student voice in all aspects of student life. We annually elect a variety of roles to make up the Students' Union Executive Team, who all concentrate on specific elements of student life and work together to ensure each area is giving students the best experience possible.

Get involved!

At both campuses we have vacancies for a number of roles on the SU Exec Team for 2020/21. All of the roles are an exciting way to positively impact the university experience for all UCFB students, and gain valuable experience for your own CV, so keep an eye out on social media and the Online Hub to find out how you can nominate yourself to take on this unique opportunity!

What kinds of events do the SU host?

Once you join UCFB, you automatically become part of our student community. We want you to feel included and to enjoy your time here at UCFB. Therefore, a diverse range of events and activities are run throughout the calendar year.

Examples of previous events include live sports fixtures, trips to theme parks, socials and more. This year they'll be a mixture of virtual events and on campus activities for you to get involved in, and we're so pleased to announce that all of our Fresher's week activities will be free to UCFB students, so make sure you take part!

What volunteering/fundraising opportunities are there?

There are different campaigns and fundraising opportunities you can take part in throughout the year. For example, our Food Bank collection is held every Christmas, in addition to fundraising events for charities such as Children in Need, Comic Relief and more.

What Societies can I get involved with?

Societies are a massive part of life at UCFB. Finding like-minded students who share the same interests as you will lead to some of your strongest friendships, and we actively encourage all students to get involved in our Societies. There are already a number

that you can get involved in, however, if you have a keen interest in something and there isn't a Society for it, you can start your own! We will provide you with support, and help to fund Society activities when possible.

I hope that this year the SU can provide regular social opportunities for all the students to get involved in and give the students more choice and creativity. I also want to increase the presence of the SU team amongst all the students so they know who they can come to in order to get involved, share their ideas and help shape their social experience

Peter Burns (Inclusion Officer, Etihad Campus)

MoZiah Selassie (AU Officer, Etihad Campus)

In my year as AU Officer I want to encourage involvement within the sport at UCFB, assist with organising fixtures, training and friendlies for all sport teams & work alongside our Sports Coordinators to ensure student views are fed back efficiently.

Your Athletic Union

What is the Athletic Union?

UCFB's Athletic Union is the student body that covers all extra-curricular sporting opportunities. They are your voice for organising recreational and competitive sport across the campus, ensuring that there are opportunities for all. The AU is there to support students in team and individual sports both recreationally and competitively, to ensure it is enjoyable for everyone involved. The AU work alongside the SU to create a full student experience team offering events, socials and sporting opportunities for all. Feel free to introduce yourself to the team when you see them! They are there for you and are approachable and friendly.

What teams are there?

We have numerous representational teams for both male and female students, supported by qualified coaches, that play in the regional British University and Colleges Sports (BUCS) leagues, as well as in the regional sports leagues. Players are selected via a trials process, which all of our students are welcome to participate in during their first semester. We also compete in various other sports in the BUCS league detailed in the table below. If you'd like to be part of any sport team at UCFB make sure you sign up for the UCFB Freshers' Fair to find out more.
