1. Introduction and Definitions

- 1.1 The Extension Policy should be read in conjunction with the UCFB|GIS Extenuating Circumstances Policy and Procedure.
- 1.2 During a student's study, they may encounter circumstances that could impact their ability to engage with their studies and/or assessments. Students are expected to make reasonable plans to take into account commonly occurring circumstances, even those which, on occasion, may have been unforeseeable and unpreventable.
- 1.3 An extension is where a student needs some extra support or extra time to submit an assessment.
- 1.4 A student can only apply for an extension once per term. This applies to all modes of study.
- 1.5 Any student wishing to engage with an extension can only do so by submitting an Extension Request Form . No evidence is required to be submitted but students will be asked to provide a general reason for its use. More information can be found in the UCFB|GIS A Student Guide to Extension Policy and Procedure.
- 1.6 An extension can only be agreed via the Student Administration Team and once a Request Form has been submitted via: wembleyadmin@ucfb.com (for Wembley students) Administration@ucfb.com (for Manchester students) or distanceadmin@ucfb.ac.uk (for distance learning students).
- 1.7 Any form of application that is incomplete or not correctly submitted will follow normal UCFB|GIS processes and be eligible for 24-hour late submission as per [Part 3 of the Manual of General Regulations](#).
- 1.8 Module Leaders should provide clear guidance on what assessment is not eligible for an extension in the Assessment Guides.

2. Procedures for the Submission of Claims for Extension

- 2.1 Student's wishing to engage with an extension have to submit an application before 23 hours 59 minutes (UK time) on the day of the advertised (re-)assessment deadline. Any submissions thereafter will follow normal UCFB|GIS processes as per Section 1.7 above.
- 2.2 Once submitted, the student will need to submit up to seven continuous days after the original advertised (re-)submission date with no penalty.
- 2.3 Work submitted after the seven continuous day deadline will receive a zero grade and fail.
- 2.4 It is expected that most applications for an extension will be discussed as part of normal student engagement with their studies, i.e. it is primarily used as a tool to support a student in their studies.

3. Additional key information

- 3.1 An extension should not be used as a last-minute attempt to engage with a (re-)assessment. A student should engage with their academics and discuss any issues or challenges they may be facing as part of a discussion around support, where extension may be one option available to them.

- 3.2 A student should not submit an extension to alleviate conflicting assessment deadlines, especially if it has been created due to another assessment having an extension granted. Students are expected to manage their own workloads and time management.
- 3.3 A student can apply for an extension or Extenuating Circumstances. There cannot be a dual application for both.
- 3.4 If a student uses an extension, but thereafter feels they are unable to engage with a (re-)assessment, they are eligible to apply for Extenuating Circumstances and the extension is rescinded upon confirmation of extenuation being granted. If Extenuating Circumstances are not granted, the extension remains.
- 3.5 Where a student has submitted an extension and the academic team feel that there may be a need for more support or for the student to engage with Extenuating Circumstances, a recommendation will be made to the Extenuating Circumstances Panel via ExtenuatingCircumstances@ucfb.ac.uk and/or relevant support services.
- 3.6 Where a student has submitted an extension and submits on-time (or within the 24- hour late submission window), the extension is deemed used and cannot be rescinded.
