## What to photograph:

These are suggestions for what to photograph, if you have other ideas we'd love to see them!

People - Supporters, players, coaches, referees or linesmen all make great subjects  
Emotions - joy, disappointment, anticipation

Objects - footballs, goalposts and boots  
Weather - a muddy pitch, footy in the sunshine  
Community - stickers, scarves, hats

## Photography Guidelines:

Here's some tips and tricks to help you get the best shot you can

Try to fill the image right up to the frame.  
Play around with the angles and heights of your shots.  
Look for interesting lighting.

Explore brightness and contrast touch ups.  
Try to avoid black and white photos - we receive a lot of these!

## Compliance:

For GDPR compliance, please consider the below points

Get consent from parents/guardians before photographing under 18s.  
Avoid sensitive situations without clear consent.  
If in doubt, just ask.

By submitting, you are consenting for your image to be displayed by the National Football Museum, and for the image to be included in marketing for NFM and UCFB.
