1. Introduction and Definitions

- 1.1 The Extension Policy should be read in conjunction with the UCFB Mitigating Circumstances Policy and Procedure.
- 1.2 During a student's study, they may encounter circumstances that could impact their ability to engage with their studies and/or assessments. Students are expected to make reasonable plans to take into account commonly occurring circumstances, even those which, on occasion, may have been unforeseeable and unpreventable.
- 1.3 An extension is where a student needs some extra support or extra time to submit an assessment.
- 1.4 Students may apply for an extension a maximum of **twice per semester**, regardless of their mode of study. **Extensions are not permitted for resubmission assessments.**
- 1.5 Students seeking an extension must submit an Extension Request Form, which is accessible on the Learner Portal [here](#). Submission of evidence is not required; however, students will need to provide a general reason for their request. For further details, please refer to the [UCFB: A Student Guide to Extension Policy and Procedure](#).
- 1.6 List of assessments that are not eligible for extensions will be available on the Online Hub [here](#).
- 1.7 Any application that is incomplete, ineligible for assessment, or not correctly submitted will be rejected and/or subject to normal UCFB processes.
- 1.8 There is no 24-hour late submission allowance for assessments.

2. Procedures for the Submission of Claims for Extension

- 2.1 Student's wishing to engage with an extension have to submit an application before 23 hours 59 minutes (UK time) on the day of the advertised. Any submissions thereafter will follow normal UCFB processes as per Section 1.7 above.
- 2.2 Once submitted, the student will need to submit up to seven continuous days after the original advertised submission date with no penalty.
- 2.3 Work submitted after the seven continuous day deadline will receive a zero grade and fail.
- 2.4 It is expected that most applications for an extension will be discussed as part of normal student engagement with their studies, i.e. it is primarily used as a tool to support a student in their studies.

3. Additional Key Information

- 3.1 An extension should not be used as a last-minute attempt to engage with a assessment. A student should engage with their academics and discuss any issues or challenges they may be facing as part of a discussion around support, where extension may be one option available to them.
- 3.2 A student should not submit an extension to alleviate conflicting assessment deadlines, especially if it has been created due to another assessment having an

extension granted. Students are expected to manage their own workloads and time management.

- 3.3 A student can apply for an Extension or Mitigating Circumstances. There cannot be a dual application for both.
- 3.4 If a student uses an Extension, but thereafter feels they are unable to engage with a assessment, they are eligible to apply for Mitigating Circumstances and the extension is rescinded upon confirmation of extenuation being granted. If Mitigating Circumstances are not granted, the extension remains.
- 3.5 Where a student has submitted an extension and the academic team feel that there may be a need for more support or for the student to engage with Mitigating Circumstances, a recommendation will be made to the Mitigating Circumstances Panel via MitigatingCircumstances@ucfb.ac.uk and/or relevant support services.
- 3.6 Where a student has submitted an Extension and submits on-time the extension is deemed used and cannot be rescinded.
